## Kelly Murray

Associate Director  
CISA Chemical Security

# Infrastructure Security Mission

CISA's Infrastructure Security Division leads the coordinated effort to reduce risks posed to our critical infrastructure, whether from man-made or natural causes.

## HOW CISA IS CARRYING OUT ITS INFRASTRUCTURE SECURITY MISSION:

- ▶ Combat Terrorism and Targeted Violence
- ▶ Conduct Exercise and Training Programs
- ▶ Enhance School Safety with our School Safety Task Force
- ▶ Assess and Analyze Critical Infrastructure
- ▶ Identify and Prioritize Critical Infrastructure
- ▶ Strengthen Chemical Security with ChemLock

## ChemLock Request Form

Thank you for your interest in the ChemLock Program. ChemLock services help facilities that possess dangerous chemicals understand their potential vulnerabilities and identify security options for addressing them.

Please complete this form in its entirety by **clicking the "Done" button on the final page** to request contact from a CISA representative to discuss a ChemLock Service.

\* Required

1

Select the ChemLock service you are requesting

If you would like to request multiple services at this time, please select 'Other' and list all desired services in the text field provided.
