## 10 Rail Served Warehouse Facilities

## 3 Rail Transload Facilities

## Custom Toll Processing

# Working together: An Integrated Solution

Warehousing

Transportation

Toll Processing

*Total Distribution, Inc.*

*Total Distribution, Inc.*

A national manufacturer of pool and spa chemicals had all their processing lines compromised. TDI responded by setting up...

- 4 pailing lines
- 6 bottling lines
- 3 blenders
- 4 FFS Lines

Pride in all we do  
 Respect people  
 Integrity  
 Do what it takes  
 Excellence

Additionally, the raw materials are stored near the processing facility in a strategically positioned TDI warehouse.

TDI's brokerage provides LTL service to ship finished goods.
